ACC President reappointed to state's economic development agency

Lathrup Village, MI - December 15, 2010 The Arab American and Chaldean Council, a 501 (c) 3 non profit human service organization, is proud to announce the reappointment of its President and CEO, Dr. Haifa Fakhouri to the Michigan Economic Development Corporation (MEDC) Executive Committee. On December 13 as part of the economic development transition plan, Governor Jennifer Granholm and Governor -elect Rick Snyder, in an unprecedented sign of cooperation, announced appointments to a new executive committee that will oversee the agency beginning in January.

"It is inspiring that both governors are working together to improve the economic conditions in Michigan. Their efforts show that economic development and job creation is their priority," said Dr. Haifa Fakhouri.

The 2011 MEDC leadership team, which includes appointees of both the incoming and outgoing governors, will be building on the foundation built by Governor Granholm and her administration. Over the last eight years, the governor's economic plan has generated nearly 4,000 economic development projects, more than \$57 billion in private investment and the creation or retention of 653,000 direct jobs.
