The NHSC Loan Repayment Program:

This program is open to licensed primary care medical, dental, and mental and behavioral health providers who are employed or have accepted an offer of employment at an NHSC-approved site and will begin working by July 15, 2014. Awardees receive up to \$50,000 in exchange for two-years of service if they practice in a Health Professional Shortage Area (HPSA) of 14 and above (Tier I). Awardees can also receive up to \$30,000 in exchange for two-years of service if they practice in a HPSA of 13 and below. In FY2013, all of the NHSC's loan repayment awards were made to providers located in a Tier I HPSA. There were a total of 4,505 awards made (2,106 new and 2,399 continuations) totaling \$169.7 million.

HPSA Score/Vacancy information
